

LEOPARD
CATAMARANS

NOT JUST A CAT
A LEOPARD

Evolving from 40 years of customer feedback, Leopard Catamarans has pooled their expertise with builders Robertson and Caine to design today's Leopard range: spacious, robust, performance-driven blue water cruising catamarans.

Leopard Catamarans pushes the boundaries of catamaran design. We produce yachts that are not only performance driven, but innovative models created with new concepts that change the way catamarans are built and utilized. All of our catamarans include cutting-edge equipment and are built blue-water ready by world renowned Robertson & Caine.
