WHAT'S ON GUIDE

YOUR OFFICIAL GUIDE TO THE SHOW INCLUDING THE TOP THINGS TO SEE & DO, ENTERTAINMENT SCHEDULE, EXHIBITOR DIRECTORY AND MAPS.

Beyond the plethora of boats, marine gear and gadgets, there's an array of entertainment and educational masterclasses on offer at this year's Sydney International Boat Show. Don't miss any of the action with our What's On Guide. Don't forget, the ICC Sydney has two exhibition levels, the upper halls (level 4) and the lower halls (level 1), so be sure to check out both levels and the spectacular on-water display on Cockle Bay Marina.

THE HARBOUR LOUNGE - VIP EXPERIENCE

Upgrade your experience to First Class with a VIP Pass. The Harbour Lounge is the newest luxury precinct to hit the water at the Sydney International Boat Show. Located on *The Jackson*, a stunning 60-metre superyacht, The Harbour Lounge includes an all-day gourmet grazing menu, premium beverages, live entertainment and boutique tasting experiences. Visit The Harbour Lounge on the marina to upgrade your ticket to a VIP Pass.

ROVING ENTERTAINERS

Nothing brings the festival vibe to Darling Harbour like roving street performers! Be sure to grab a selfie with our dynamic and friendly entertainers as they make their way through the precinct.

THE EVENT DECK

The Event Deck on the top exhibition level is where our purpose-built 35 metre pool hosts on-water demonstrations of the latest marine products. See and trial kayaks, stand-up paddleboards, pedalboards and other unique craft, while the kids enjoy free bumper boat rides.

Bellalina Mermaids will be performing daily with their unique underwater show and photo booth, along with the NSW Police showcasing their rapid response watercraft plus interactive experiences with the NSW Department of Primary Industries & Fisheries.

The Event Deck is also home to the Rooftop Bar, the ideal place to relax and gather with friends while enjoying the spectacular view across the city.

MAIN STAGE

If you love fishing, you'll love the fishing demonstrations and masterclasses on The Main Stage. Feature fishing demonstrations with Brett Thomson at the Yamaha Supertank, cooking tips with Channel 7's Boating, Fishing & Weather Expert Paul Burt, and loads of boating, fishing and marine education sessions with some of the country's leading experts including, Andrew 'ET' Ettingshausen, Tim Simpson, Justin Duggan, Greg Reid, Peter 'PJ' Johnson, and Rhys Creed.

YAMAHA SUPERTANK FISHING DEMONSTRATIONS

The giant mobile Yamaha Supertank will be a major feature at The Main Stage and will provide a fish-eye view of life beneath the water. Hosted by experienced angler Brett Thomson, the Supertank Show includes casting demonstrations, the latest lures and tips on the best angling techniques. Whether you're a seasoned fisherman or novice, you'll enjoy Brett's entertaining show.

ANDREW 'ET' ETTINGSHAUSEN

Renowned as one of rugby league's greatest players, Sydney local ET now spends most of his time with a rod in the water for filming his show *Escape Fishing with ET*, which airs on Channel 10 and 10BOLD. One of the longest-running and most popular Australian fishing shows, each week viewers are transported to some of the most exciting and exotic locations in Australia as ET chases down spectacular catches on his action-packed fishing adventures.

ET will be bringing the action and excitement of his 23 seasons of *Escape Fishing with ET* to the Sydney International Boat Show where he and his partners will get stuck into all things fishing and boating on The Main Stage. Meet ET, grab a picture and enter the *Escape Fishing with ET* competition on the Event Deck for you chance to WIN a day of fishing on the harbour with ET.

LISA BLAIR

The Main Stage will also play host to record-setting sailor, Lisa Blair. Come on a journey around Antarctica as Lisa tells of her recent record. Lisa made history by becoming the fastest person to sail solo, non-stop, and unassisted around Antarctica this year. Lisa weaves a colourful tale of sailing around Antarctica, packed full of epic storms, blizzards, extreme sleep deprivation, endless challenges, and ultimate success in the world's most deadly ocean.

BOATING SAFETY ZONE

Transport for NSW and our safety partners will be on hand at the Boating Safety Zone to answer all your questions, guide you through interactive elements and provide you with the latest information for a safe and enjoyable time on the water. Our safety partners include:

- NSW Department of Primary Industries
- Marine Rescue NSW
- Bureau of Meteorology
- Australian Maritime College
- University of Tasmania
- Transport for NSW
- TAFE NSW
- Paddle NSW
- Marine Teachers Association of NSW
- NSW Police Force – Marine Area Command
- Association of Maritime Trainers
- Deckee
- Department of Planning and Environment – Crown Lands

ON WATER SPECTACULAR

Climate Action Now provides a rare opportunity to step aboard a one-of-a-kind ocean racing yacht that has now been used in four world records.

If you're in the market for a superyacht or simply like to dream, be sure to inspect the award-winning *Majesty 100*. Our largest boat on display at the show *Majesty 100* has gained world-wide attention since her launch with her unique enclosed sky-lounge and powerful but efficient propulsion system.

If you're into all things luxury, be sure to visit the Ray White Marine showcase, featuring six stunning European boats and the latest Rolls-Royce taking centre stage. A truly spectacular display not to be missed.

Step on board the Marine Rescue NSW vessel for an inside look at one of their contemporary, purpose built rescue vessels.

If sitting back and enjoying the boat show atmosphere is on your list, you won't want to miss Sydney's newest on-water event venue - *The Jackson*. This stunning 60-metre superyacht plays host to The Harbour Lounge, our luxe VIP precinct and public bar. Add this to your schedule, you'll want to stop in for a drink!

CATCH & RELEASE FISHING COMPETITION – GRAND FINAL

The Sydney International Boat Show will play host to the Grand Final of the Berkley Super Series fishing competition, the premium team-based bream catch & release fishing tournament in Australia. The Series has seen over one hundred teams chase down big money prizes in some of the finest bream fishing locations on the East Coast of Australia, with one ultimate goal – to qualify for the Berkley Super Series Grand Final at the Sydney International Boat Show.

The Grand Final is held over two days, allowing teams to fight back into contention should their first day's catch fall short. The Grand Final will take place on Saturday 30th and Sunday 31st July with show times from 2pm to 4pm. The weigh-in will take place adjacent to the marina at Cockle Bay, where the winning team will walk away \$10,000 richer.

DIVE SECTION

Whether you're an expert diver or a novice new to the sport, you'll love the dedicated dive section where you'll find exhibitors with gear and information needed to enjoy diving as a sport, for business, research, conservation or recreation.

COCKLE BAY WHARF KIDS' ZONE

It's land ahoy at Cockle Bay Wharf where your little sailor, pirate or lighthouse keeper can get involved in the Boat Show fun at the Kids' Zone.

Face painting, craft activities, character appearances and a few surprises will keep them entertained while you rest your sea legs with a bite to eat or a drink nearby.

Look for the Lighthouse.
From 10am – 4pm Saturday and Sunday.
